linkedin.com/in/valeria-corradi

I am a determined, curious, and creative person.

My dream is to work with inspiring individuals and be part of a team where I can enhance my skills.

I am ready to get my hands dirty and put my experience into practice to create something amazing.

HARD SKILLS

- Graphic Design
- Copywriting
- User Research
- Usability
- Heuristic Evaluation
- Benchmarking
- Wireframing
- User Flow
- Information Architecture
- User Interface Design
- Prototyping
- HTML, CSS and JS
- User Testing

RELEVANT EXPERIENCES

I'm currently working as UX UI designer at Airizon where I built the interfaces of their Aircraft Design Software.
I also had some experiences as private contractor for other companies.

EDUCATION

UX/UI Design Master
Start to Impact University
1500/1500
At Start2Impact University, I have immersed myself in a comprehensive study of Graphic Design, UX, and UI. The program not only provides in-depth theoretical knowledge but also emphasizes on practical projects, enabling me to apply what I learn effectively.

Economics Linguistic High School
A. Tambosi
During High School I honed my language skills, becoming proficient in English, German, and Spanish. Additionally, I established a solid foundation in economics.
